### BAN ON USE OF PLASTIC

Plastic pollution has emerged as a significant environmental concern, requiring urgent action. The excessive consumption and disposal of plastic have led to devastating consequences for our planet, as well as our health and well-being. Recognizing the need to address this issue, the government has launched a national campaign to ban the use of single-use plastics. Educational institutions, including Sanskrithi School of Business, have a crucial role to play in leading this nationwide endeavour.

#### Standard Operating Procedure for Ban of plastic in the Campus

- Aim to achieve plastic-free campuses, with students and faculty actively participating in a mission mode approach.
- Prohibit the usage of plastics in canteens, shops within the institution's premises, and hostels.
- Students should refrain from bringing non-biodegradable plastic items to the institution.
- Encourage students to make their households plastic-free.
- Incentivize students to carry out similar campaigns at the community level.
- Install alternative facilities, such as water units, to eliminate the need for plastic water bottles.
- Ensure the availability of alternative solutions like cloth bags to replace plastic bottles, covers, and other goods on campuses.
- Organize events and poster competitions focusing on designing ecological and environment-friendly alternatives to minimize the use of single-use plastic.
- The management has taken the initiative to provide cloth bags to staff members, further supporting the plastic ban on campus.

Activities by organizations like NCC, NSS, Nehru Yuva Kendra, etc.

**Rally on Elimination of Single-Use Plastic**

**Date:** March 30<sup>th</sup>, 2021

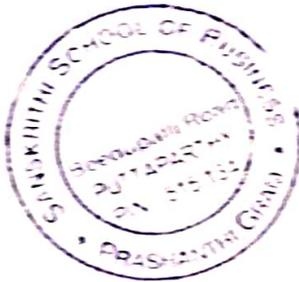

**No. Of Students Participated:** 73

**Topic:** Elimination of Single-Use Plastic

**Time:** 11.00 Am to 12.00 Am

**Venue:** Yenumallapalli Market, Near Puttaparthi.

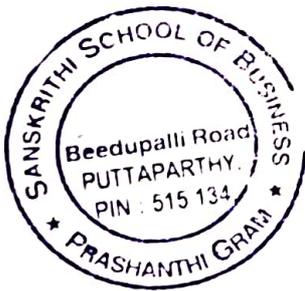

About 73 students along with 2 faculties took part in the awareness rally organised to sensitise people against the use of one-time-use plastic. Dr.Bala Koteswari, Dean-Academics, Principal, SSB flagged off the rally and students started the rally from Yenumallapalli to Near Ganesh circle, Puttaparthi. Team wise the students approached all the farmers in the market and gave awareness on single use plastic problems and distributed paper bags which are prepared by the students on their own. Students led the complete rally with the slogans.

Plastic will make our end drastic!

Go green, plastic is obscene!

Stop the pollution. Be part of the solution.

Let us wipe out plastic before it wipes us out.

Change your habits. Stop using plastic.

Beat plastic pollution. If you can, reuse it and refuse it.

Avoid plastics.

Say no to plastic bags. Don't trash our future. Say no to plastic. Stop choking the Earth.
